PTO Online Marketplace

The Cascade Locks School PTO would typically be hosting their annual Marketplace that is enjoyed by many. This year the PTO will be hosting an online auction instead to help raise funds to continue to support our children, teachers and school. The online auction will be taking place on December 4th from 11am to 7pm. To find out more, visit their website at www.cascadelockspto.com.

Port Welcomes Bridge Supervisor

This month the Port of Cascade Locks welcomed new Bridge Supervisor, Jeremiah Blue. Jeremiah was born and raised in the Pacific Northwest and has fond childhood memories of fishing in Cascade Locks. He brings to the position a Transportation and Logistics Background to pull from as we continue to roll out and fine-tune the Breeze By System. "I am excited to bring my brand of leadership to the Port and to have the opportunity to collaborate with the other members of the Bridge Team" he said. "I am eager to meet the rest of the community so please say "hi" when paying your toll or give me a wave as you Breeze By." Welcome to the Port Team, Jeremiah!

Community Cocoa & Lights Reminder

Don't forget the annual Community Cocoa & Toll Booth Park Lighting event will take place on Wednesday, December 2nd at 6pm. To allow for a COVID-safe celebration, this event will be conducted as a drive through. Families will pull up to the Treat Tent after entering the parking lot and be greeted by Santa! Tune your radio stations to the channel provided at the tent and find a good place to park for the countdown. We'll have live music played to your radios! After the countdown, proceed up Toll Booth Road as directed. Try to find the NEW displays added this year!
